

Join the NonProfit Alliance – Become a Corporate Sponsor Today

The NonProfit Alliance (NPA) is a collaboration among some 400 organizations in and around Monroe County. We envision a community that respects all its citizens and provides opportunities for everyone to participate fully and to reach his or her highest potential. We believe that *our Monroe County nonprofits help the community become that place!* Please join us in strengthening the nonprofit sector.

Our goals:

- Serve as a trusted source of information and resources about nonprofits.
- Foster communication among nonprofit organizations.
- Provide professional and volunteer development opportunities.
- Communicate effectively with the public about non profit needs and issues.

Why consider sponsorship?

The NPA needs sponsors to foster a healthy nonprofit community in Monroe County by providing the organization with a strong foundation. Organizations that sponsor the NPA will increase communication among nonprofits, enhance networking and collaboration, and develop a more viable sector. With financial support from a number of places, NPA will better represent the variety of nonprofits in our community.

Entities that sponsor NPA annually at the \$500 (Gold) level or the \$250 (Silver) level are recognized for their support:

- **Gold and Silver Sponsors** are listed on NPA website.
- **Gold and Silver Sponsors** are recognized on training materials distributed to the hundreds who attend NPA training annually.
- **Gold and Silver Sponsors** are represented on NPA brochure updated annually.
- **Gold Sponsors** logos are placed on the NPA website.
- **Gold Sponsors** are included on each NPA e-newsletter sent to hundreds weekly.

Event sponsorship is also available. Businesses that partner with NPA on training events receive special recognition at sponsored events.
